LATEST DEVELOPMENT

## Up and coming in design place in Nisetadpuruo career

Niecal Design is an interior design house with a sight for clean and simple values. Up to date, Niecal has grown in its portfolio and has comissioned us to design their website.

### Our Involvement

- Conceptual creative development
- Design layout color scheme
- Information structure

10.06.09

We visited and assisted a few Oil and Gas companies at the ASIA'S BIGGEST OIL & GAS SHOW, OGA 2009 at the Kuala Lumpur Convention Centre (KLCC).

27.04.09

Another interesting project was awarded to Coalitionatix. More updates will be posted soon.

24.04.09

Our photographers participated at the launch of "Zero to Sexy" by Triumph which will be held from today till the 3rd of May 2009.

We are constantly seeking for creative and dynimic individuals who are keen and willing to share brilliant ideas with us.

Send us your resume, today!
